

How to Ride Konan Bus Local Routes

Front-door boarding and exiting. Postpaid fare system.

Confirming the destination

Destination signs are displayed on the front and sides of the bus. Please check your destination before boarding.

Boarding door

Both boarding and exiting are done through the front door.

Passengers exiting have priority.

Front-door boarding and exiting

Using an IC card (like Suica)

Enter

Tap it on the card reader as you board. No need for a paper ticket in this case.

Request your stop

When your stop is next, press one of the red buttons located along the walls or handrails to indicate you want to get off.

Exit

Tap it on the card reader as you get off. The fare will be automatically deducted.

Notes for IC Card Payments

- **If you don't have enough balance**, please top up your card onboard or pay the difference in cash.
- **If you are sharing your card with others**, please let the crew know **before tapping**.
- **If you wish to purchase a One-Day Pass or a Multi-Day Pass**, please inform the crew **before tapping**.

Using Cash

Enter

Take a numbered ticket - it indicates your boarding point.

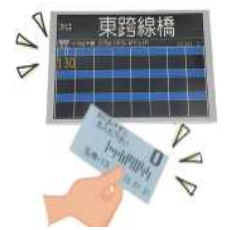

※Please do not fold your boarding pass and take care not to lose it.

※The boarding pass barcode will be scanned during postpaid fare, so be sure to obtain one even at the first stop.

During the ride

An electronic screen above the driver shows the next stop and fares by boarding number. Check your number and follow the fare chart.

Request your stop

Prepare the exact fare in coins according to your ticket number.

Exit

If you don't have exact change, use the machine near the driver to break a 1,000 yen bill.
-Larger bills (5,000 or 10,000 yen) are not accepted.
